

NH Bid (#1) Food Services for The Pines Healthcare & Rehabilitation Centers- Olean Campus

Questions & Answers:

1.) Current # of staff daily for dietary services:

6-7 per day, including a manager and cook.

2.) Does the 'Skilled Nursing Facility Resident Daily Meals' PPD (Meals Served to In-House Residents not including those residents requiring Enteral Feeding and NPO) include the plated meals AND nourishments, floor stocks and supplements (as referenced on page #7, items #10, 11 and 12) for residents? –

yes that would include the additional items

3.) Re Food for Gratification Costs for tube fed residents, how many tube feeding residents do you have in your average daily census?-

an average of approx. 4-6

4.) Current Budget Allocation:

<https://www.cattco.org/administrators-office/budgets>

5.) Performance Bond: For Clarification is the amount \$50,000 or \$1,000,000 or both

The Performance Bond is \$1,000,000 as indicated on page 14. The amount on page 2 is a typo

6.) Informalities: are you County mandated to take the lowest cost bid? It would be helpful to know your definition of 'responsible bidder'.

See Local Law 12-2012, Act 533-2012 (Attached)
