**AUTHORIZING THE CHAIR TO EXECUTE CONTRACT WITH  
CONNECTING COMMUNITIES IN ACTION, INC. FOR  
HEALTHY NEIGHBORHOODS PREVENTIVE HEALTH CORNERSTONES PROJECT**

Pursuant to Section 450 of the County Law.

I. WHEREAS, Act 80-2022 authorized a contract with the New York State Department of Health (NYSDOH) Division of Environmental Health Protection in order to accept, and receive, the Healthy Neighborhoods Preventive Health Cornerstones grant in the amount of \$263,301.00 per year for a five (5) year period, and

II. WHEREAS, the purpose of the Healthy Neighborhoods Program is to provide preventive environmental health services to targeted geographic areas, and

III. WHEREAS, the County Health Department is desirous of contracting with Connecting Communities in Action, Inc., for the administration of the Healthy Neighborhoods Program, and

IV. WHEREAS, Connecting Communities in Action, Inc., formerly Cattaraugus Community Action, Inc., 25 Jefferson Street, Salamanca, New York 14779, can provide the services necessary to administer the Healthy Neighborhoods Preventative Health Cornerstones Grant for an amount not to exceed \$189,482.00, to address significant public health issues in targeted areas and provide healthier home environments, and

V. WHEREAS, sufficient funds are included in the budget to cover the cost of the aforementioned services, now, therefore, be it

I. RESOLVED, that the Chair of the Legislature be, and hereby is, authorized and directed to execute a contract, on behalf of Cattaraugus County, with Connecting Communities in Action, Inc., formerly Cattaraugus Community Action, Inc., for the administration of the aforementioned Healthy Neighborhoods Preventive Health Cornerstones grant, for a period commencing April 1, 2022 and terminating March 31, 2023, according to the above-described terms, and be it further

**SUPPORTING ESTABLISHMENT OF EXTENDED PRODUCER RESPONSIBILITY SYSTEM  
FOR PACKAGING AND PRINTED PAPER**

Pursuant to Section 153 of the County Law.

I. WHEREAS, packaging and printed paper, which includes plastic, steel, aluminum, and glass containers; boxboard, cardboard and cartons; and newsprint and magazines, constitutes approximately 40% of the materials by weight managed by municipalities and solid waste authorities in New York State, and

II. WHEREAS, local municipal governments in New York State are required to fund the management of discarded consumer packaging and printed paper and to take responsibility for achieving waste diversion goals, which is an unfunded mandate, and

III. WHEREAS, the value of recyclable materials does not cover the cost to collect, sort, process, and market these items, causing recycling system ratepayers to pay tens of millions of dollars annually to manage their recycling programs while the State loses an estimated 860,000 tons of potentially recyclable materials to trash each year, and

IV. WHEREAS, such costs to Cattaraugus County and recycling system ratepayers in 2021 are estimated at over \$490,000.00, and

V. WHEREAS, the State's current recycling system places unreasonable burdens on local governments to collect, manage, and market recyclable materials, when it is the consumer brand owners who have control over which materials are placed on the market, and

VI. WHEREAS, some packaging now includes combinations of materials that make recycling impractical, and

VII. WHEREAS, costs paid by citizens and local governments to manage packaging and printed paper are, in effect, subsidies to producers that enable and encourage producers to design packaging and printed paper materials without regard to end-of-life management, and

VIII. WHEREAS, producers have little incentive to design packaging or printed paper to minimize waste, reduce toxicity, or maximize recyclability, creating a supply chain disconnect with environmentally sound, end-of-life management of these consumer materials, and

IX. WHEREAS, Extended Producer Responsibility ("EPR") is an environmental policy approach in which producers (brand owners and importers) accept responsibility for the management of post-consumer products and packaging so those who produce these materials help bear the costs of recycling, and

X. WHEREAS, EPR programs for packaging and printed paper have existed for up to 30 years in all EU member states, across Canada, and other parts of the world, achieving recycling rates for packaging and printed papers upwards of 70%, and

XI. WHEREAS, enacting EPR for packaging and printed paper could significantly increase recycling rates for residential materials, reduce consumer confusion and contamination in recycling streams, create green sector jobs, provide millions of dollars in savings for local governments and taxpayers, and lower greenhouse gas emissions by over 2.3 million metric tons annually, and

XII. WHEREAS, New York State Governor Kathy Hochul has proposed a 2022-23 Executive Budget that includes Part RR, which would establish an EPR system for consumer packaging and printed paper and require

producers to reimburse municipalities for recycling the packaging and printed paper they introduce into the marketplace, and

XIII. WHEREAS, Governor Hochul’s proposal would incentivize producers to:

- Reduce packaging waste;
- Make it easier to recycle the material they generate;
- Invest in modernizing local recycling infrastructure across New York State;
- Ensure that all New Yorkers have access to recycling and upgrade recycling infrastructure to achieve higher recycling rates; and
- Provide clear, consistent consumer education, resulting in less confusion for residents and minimizing contamination in the recycling stream,

and

XIV. WHEREAS, EPR can work in tandem with and supplement New York State’s Returnable Container Act, and

XV. WHEREAS, when producers are responsible for ensuring their materials are reused or recycled responsibly, and when health and environmental costs are included in the product price, there is an incentive to design for reduction, recyclability, and reduced toxicity, now, therefore, be it

I. RESOLVED, that the Cattaraugus County Legislature urges Governor Kathy Hochul and the New York State Legislature to enact an EPR program for packaging and paper products, and be it further

II. RESOLVED, that the Clerk of the Legislature is hereby directed to forward certified copies of this resolution to Governor Hochul, the New York State Legislature and all others deemed necessary and proper.
