******For Immediate Release******

October 25, 2020

Cattaraugus County Health Department is sad to report the deaths of two residents of Cattaraugus County due to COVID-19 related complications.

The seventeenth death was an 82 year old female who developed respiratory failure and was unable to overcome her illness despite aggressive medical treatment.

The eighteenth death is a 62 year old male who also developed respiratory failure and was unable to overcome his illness despite aggressive medical treatment.

We extend our deepest condolences to their families and the entire Cattaraugus County community.
